Miscellaneous Research Topics

What metrics are of interest to policy makers?
- Epidemiological analysis of bulk data
- Incidence count
- Localized fhir data in a specific region
- Ease of use
- Project pitch PDF: http://cs6440.gatech.edu/wp-content/uploads/sites/634/2018/09/Spring2018CatalogTeam34.pdf
- Project requirement overview slides: https://docs.google.com/presentation/d/1JQuP-QmlNWXrhUyEQxk5gvFDDbQB3PbAts11tVc-Qxw/edit#slide=id.g43ee7d3ef4_0_632

What are the current bottlenecks for developing health assessments?
- Lack of bulk data applications that are easy to use (from meeting with external mentor)

JWKS authentication / authorization
Auth0. "JSON Web Key Set (JWKS)". JSON Web Key Set (JWKS), Auth0, https://auth0.com/docs/jwks

Auth 0. "Verify Access Tokens for Custom APIs". Verify Access Tokens for Custom APIs, Auth0, https://auth0.com/docs/api-auth/tutorials/verify-access-token
